

## GoldConnect wins Best Latam/ Caribbean Carrier and Innovation Disruptor of the Year at the GCA by Capacity Media in London

**GoldConnect. Weston, October 24th, 2022** – GoldConnect, a leading US based carrier with presence in 17 countries in The Americas and pioneer of the fully automated end to end customer experience through its one of a kind LatamConnect Platform, has won for the second time in 2022 Best Latin American/Caribbean Wholesale Carrier and for a record third time Wholesale Innovation Disruptor of the Year (2019, 2021 & 2022).

GoldConnect is the only carrier in Latin America to be recognized by both Capacity Media and Carrier Community as the Best Latin American Carrier in the same year (2022).

GoldConnect over the last 4 years it has rewritten the rules of data transport and connectivity services in LATAM by providing a holistic approach to network intelligence and transparency, groundbreaking process automation, and a world-class customer engagement. LatamConnect platform allows our customers and partners to enjoy smoother, faster, and reliable access to real time network information. We provide services to the world's largest telecommunications operators, regional and global enterprises. We guarantee local access to every major city throughout LATAM in a matter of minutes, ensuring dependable network availability based on an intelligent solution to monitor and manage a redundant network.

"This is a true testament of our hard work and dedication to change the traditional way in Latam, embracing the latest technologies to streamline business processes and provide a true best-in-class customer experience while improving the life of our employees and vendors as well" said Jeremy Villalobos COO at GoldConnect.
